SECTION 2. Notices. Any notice required to be sent to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, prepaid, Certified Mail - Return Receipt Requested, to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing. SECTION 3. Enforcement. In the event of any violation or breach of any of the restrictions contained herein by any Property Owner or agent of such Owner, the Developer, its successors or assigns, or the Owners of Lots within the Development, or any of them, jointly or severally, shall have the right to proceed in law or in equity to compel a compliance to the terms hereof or to prevent the violation or breach of any of the restrictions set out above, but before litigation may be instituted ten (10) days written notice of such violation shall be given to the Owner or his agent. as to the same breach or as to a breach occurring prior or subsequent thereto and shall not bar or affect its enforcement. The invalidation by any court of any restriction contained in this Declaration shall in no way affect any of the other restrictions, but they and each of them shall remain in full force and effect.

ARTICLE FOUR

RESTRICTIONS ON USE AND RIGHTS OF THE ASSOCIATION AND OWNERS

SECTION 1. Permissible Uses. All lots are for residential purposes only. Each lot may contain detached single-family dwelling, garage, swimming pool, or tennis court, for the private use of the owner or guests of said owner, which shall comply with all applicable zoning regulations. The dwelling shall be constructed prior to or simultaneously with any garage, swimming pool or tennis court. No Lot shall be used for access to any adjoining lot or other property. When an Owner acquires two or more adjoining Lots then, and in that event, the adjoining one or more lots may be used as one building site and the side lot lines and easements referred to herein shall apply to the outside perimeter line of the combined Lots. Each building erected upon said Lot shall have the exterior completed within six (6) months after construction shall have commenced and failure to complete the exterior of such building within the six (6) months period shall operate as a forfeiture of architectural approval granted, at the option of the Developer or its successors and thereon said partnership or its agents shall have the right and privilege to go upon the premises with such labor and materials as are necessary and complete the same and such shall operate as a primary lien against the structure and Lot upon which it is located. No business or business activity may be carried on upon any residential property at any time provided, however, that nothing shall preclude the Developer, its subsidiaries, affiliates, agents and employees from using all or part of the dwellings owned by or rented by them for the purpose of carrying on business directly related to the Development, management and/or sale of Lots and homes in.

SECTION 2. Utilities and Easements. The Developer reserves unto itself, its successors and assigns, a perpetual, alienable and releasable easement and right on, over and under the ground to erect, maintain and use electric and telephone systems, cable television service, and conduits for the purpose of binding public services to The Properties, on, in or over an area within ten (10) feet of each Lot line fronting on a street or where a Lot line abuts a right of way or boundary line, five (5) feet along the side lines of each Lot, and ten (10) feet along the rear line of each Lot, and such other areas as are shown on any recorded plats of The Properties. The Developer reserves unto itself, its successors and assigns, perpetual, alienable and releasable easements within the Development and the right on, over and under the ground to cut drainways for surface water and make any grading of the soil whenever and wherever such action may appear to the Developer to be necessary to maintain reasonable standards of health, safety and appearance. In the event of any additions to The Properties, as provided in Article One, by the Developer, these easements created hereby shall exist on the Lots in such additional units. These easements and rights expressly include the right to cut any trees, bushes, or shrubbery, take or add any soil, or take any other similar action reasonably necessary to provide economical and safe utility installation or to maintain reasonable standards of health, safety and appearance.

SECTION 3. Minimum Square Footage and Setback Requirements. In no event shall any residential building located on an oceanfront lot contain less than 2500 square feet of "Living Area" for any dwelling. All other residential buildings shall contain no less than 2000 square feet of "Living Area" for any dwelling when not located on an oceanfront lot. No building, including porches, eaves, steps and similar fixtures shall be located on any Lot within twenty-five (25) feet of the front line nor closer than eight (8) feet from the sidelines thereof, nor closer than twenty (20) feet from the rear property line or twenty (20%) percent of the lot depth, whichever is less. Side setbacks on the road will be fifteen (15) feet.

SECTION 4. Temporary Structures and Limitations on Use. No structures of a temporary nature may be placed upon any portion of The Properties at any time. Temporary shelters, tents, travel trailers, campers or self-propelled mobile homes may not at any time be used as a temporary or permanent residence. Campers, travel trailers, boat trailers, self-propelled mobile homes and other vehicles of that nature may be stored on a Lot, provided that they do not constitute a visual nuisance and are stored in compliance with the setback requirements of Section 3 above. No mobile homes shall be permitted to remain on any portion of The Properties, either temporarily or permanently.

SECTION 5. Lot Access. All lots shall access from internal public right of way, except Lot 4 which shall access off of the Tower Circle Road Easement. Lot 5 access shall be restricted to Cape Court only.

SECTION 6. Driveways. Prior to the commencement of construction of improvements or clearing of any Lot, other than by hand, the Owner shall place a temporary clay or permanent clay and gravel or concrete driveway to provide entry to the Lot from the road.

SECTION 7. Parking. Parking on the traveled streets within the Development shall be prohibited at all times. Each Lot Owner shall provide off-street parking space for his family's use and the use of their guests. This would constitute a turnaround large enough to part two cars, in addition to the driveway. All construction vehicles are to be parked off of the traveled streets and on the shoulder of the road or in the driveway of the Lot at all times during construction.

SECTION 8. Debris. No leaves, trash, garbage or other similar debris shall be burned except as permitted by the appropriate governmental authority. No garbage, trash, construction debris or other unsightly or offensive material shall be placed upon any portion of The Properties, except as is temporarily and incidental to the bona fide improvements of any of The Properties.

SECTION 9 Garbage, Mail and Delivery Boxes. Standards and guidelines for the implementation thereof for the location, material, color and design of all mail and newspaper boxes and the manner in which they shall be identified are included in the Architectural Guidelines.

Each owner shall provide receptacles for garbage in accordance with the standards established by the Developer and the Architectural Review Committee.

SECTION 10. Screening. Each Lot Owner shall provide screening from public view, approved in writing by the Developer or Architectural Review Committee, for fuel tanks, air conditioning units, water tanks, or for any other permanent facility which the Developer or Architectural Review Committee, in its sole opinion, shall require to preserve the beauty and harmony of the Development.

SECTION 11. Antennas. No television antenna, radio receiver or sender or similar device shall be attached to or installed on the exterior portion of any structure or any Lot or Common Properties within The Properties.

SECTION 12. Disposal. Prior to commencing construction of any residence, applicable permits for sewage disposal shall be obtained with the location and site of such proposed facility to be approved by the Developer or the Architectural Review Committee. No sewage disposal system shall be used unless such system is designed, located, constructed and maintained in accordance with the requirements, standards and recommendations of the appropriate public health authority. Each septic tank and nitrification field relating thereto shall be maintained in good condition so that its use and existence shall not constitute a nuisance to any other Owner.

SECTION 13. Unightly Conditions. Each Lot Owner within the Development shall maintain and preserve his lot or lots in a clean, orderly and attractive appearance within the spirit of this Development. Failure on the part of a Lot Owner to adhere to such proper, clean, orderly and attractive maintenance to his property, upon ten (10) days written notice given him by the Developer, or its successors or assigns, shall subject the Lot Owner to a suit for specific performance.

SECTION 14. Nuisances. It shall be the responsibility of each Lot Owner to maintain the exterior of his residence and the surrounding grounds of his Lot in a clean, tidy and safe manner. No Lot shall be used in whole or in part for the storage of anything which might cause such Lot to appear cluttered, unclean or obnoxious to the eye, nor shall any substance, thing or material be kept on any Lot which might omit fowl or obnoxious odors, noises or other conditions that will or may disturb the serenity, safety or comfort of the occupants of surrounding property. No noxious or offensive activity shall be carried on upon any lot or shall anything be done thereon tending to create a nuisance to the neighborhood.

SECTION 15. Entry. Each Lot Owner shall keep his lot cleared of unsightly underbrush, weeds or debris and if said Lot Owner shall permit same to exist on his property and fail to remove the same within thirty (30) days after being requested to do so by the Developer, its successors or assigns, it reserves for itself and its agents the right to enter upon the Lot for the purpose of cleaning, clearing or cutting the grass, underbrush or debris, which, in the Developer's opinion, distracts from the overall beauty and natural character of the neighborhood or adversely affects the safety or health of the residents and such entrance shall not be deemed a trespass. The expenses of entry and removal shall be the personal debt of the Lots Owner(s) and shall also constitute a lien upon the lands until paid. The provisions of this section shall not be construed as an obligation of the Developer, its successors or assigns, to provide such services.

SECTION 16. Animals and Pets. Animals, livestock or poultry of any kind shall not be raised, bred or kept on any lot except dogs, cats and other household pets may be kept, provided that they are not kept, bred or maintained for any commercial purpose and provided that they are under the control of their owner at all times.

SECTION 17. Discharge of Firearms. Hunting and trapping of wild animals, fowl and game and the discharge of firearms and/or bows and arrows within The Properties is prohibited, unless required for public safety.

SECTION 18. Vehicles. All motorized vehicles operating within The Properties must be properly muffled so as to eliminate noise which might be offensive to others. Two (2) and three (3) wheel motorized vehicles, as well as four (4) wheeled go-cart or beach buggy type vehicles are prohibited from being used or operating on or within the Common Properties or frontal dune system or sand dunes.

SECTION 19. Signs. No sign of any kind of advertising device shall be displayed to the public view on a residential lot except one sign of not more than six (6) square feet advertising the property for sale. Said sign shall be located adjacent to a driveway, ten (10) feet back on the property line and not more than three (3) feet in height, including the sign and stand. During construction, a builder's sign may be affixed to the dwelling but it may not be more than six (6) square feet and must be removed before occupancy by the owners. All "For Rent" signs must be affixed to the structure and cannot exceed six (6) square feet. The Developer shall not be prevented from erecting such signs as may be deemed necessary to the operation of the subdivision or the normal conduct of its business, provided that any sign so erected shall be within the acceptable limits as defined by the guidelines applicable to all other Lot Owners in the subdivision.

SECTION 20. Pedestrian Easement. There is hereby granted as an appurtenance to Lot 4, an easement for ingress, egress and access by pedestrian means across the Westernmost 5' of Lot 5.

ARTICLE FIVE

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION AND BOARD OF DIRECTORS

SECTION 1. Membership. Every person or entity who is a record owner of a fee simple interest in any Lot is subject by this Declaration to assessment by the Association and shall be a Member of the Association; provided, however, that any such person or entity to hold such interest merely as a security for the performance of an obligation shall not be a Member. The requirement of membership shall not apply to any mortgagee or trustee beneficiary acquiring title by foreclosure or otherwise pursuant to the mortgage or deed of trust instrument.

SECTION 2. Voting Rights. The Association shall have one class of voting membership and Members shall be entitled to one vote for each Lot in which they hold an interest required for

membership by Section 1 of this Article. When more than one (1) person or entity holds such an interest in any Lot, all such persons shall be Members and the vote for such Lot shall be exercised as they among themselves determine and such persons shall designate one (1) person to vote for their Lot, but in no event shall more than one vote be cast with respect to any such Lot. If only one of the multiple owners of a Lot is present at a meeting of the Association, the owner who is present is entitled to cast all the votes allocated to that Lot. If more than one of the multiple owners is present, the votes allocated to that Lot may be cast only in accordance with the agreement of a majority of interest to the multiple owners. Majority agreement shall be conclusively presumed if any one of the multiple owners cast the votes allocated to that Lot without protest being made promptly to the person presiding over the meeting by any of the other owners of the Lot.

SECTION 3. Control of the Association and Board of Directors. The existing Property of Cape Point Estates contains 10 lots and the Developer does not presently contemplate adding to The Properties. Prior to three (3) years from the date of the first sale of a Lot by the Developer, or the date when sixty-five (65%) percent of the total number of Lots contemplated have been sold by the Developer, whichever occurs first, the voting rights of the Developer as to any matters in which Members may vote other than the election of Directors by virtue of Lots owned by the Developer, shall not be less than a majority of the total votes outstanding in membership. Two-thirds (2/3) of the Board shall be composed of Directors appointed by the Developer. These matters shall be further governed by the By-Laws of the Association.

ARTICLE SIX

PROPERTY RIGHTS IN THE COMMON AREAS

SECTION 1. Members' Easements of Enjoyment. Subject to the provisions of Section 3 of this Article, every member shall have a right and easement of enjoyment in and to the Common Properties and such easement shall be appurtenant to and shall pass with the title to every Lot.

SECTION 2. Title to Common Areas. The Developer may retain the legal title to the Common Areas until such time as it has completed improvements, if any, thereon and until such time as, in the opinion of the Developer, the Association is able to maintain the same but, notwithstanding any provision to the contrary herein, the Developer hereby covenants, for itself, its successors and assigns, that it shall convey the Common Area to the Association not later than two (2) years from the date of the first sale of a Lot by the Developer or when eighty-five (85%) percent of the Lots, as defined in Sections of Article 5, are sold by the Developer, whichever occurs first. The Association shall be obligated to accept conveyance in accordance with this paragraph.

SECTION 3. Extent of Members' Easements. The rights and easements of enjoyment created herein shall be subject to the following:

(a) The right of the Association as provided in its Articles and By-Laws to suspend the enjoyment rights of any owner for any period during which an assessment remains

unpaid and for any period not to exceed thirty (30) days, for any infraction of any published rules and regulations; and

(b) The right of the Association to dedicate or transfer all or any part of the Common Areas to any public agency, authority or utility for such purpose and subject to such conditions as may be agreed to by the Members, excepting tennis court and swimming pool, provided that no such dedication or transfer, determination as to the purpose or as to the conditions thereof, shall be effective unless an instrument signed by Members entitled to cast eighty percent (80%) of the total number of votes of all Members has been recorded agreeing to such dedications, transfer, purpose of condition or unless written notice of the proposed agreement and action there under is sent to every Member at least thirty (30) days in advance of any action taken.

ARTICLE SEVEN

COVENANT FOR PAYMENT OF ASSESSMENTS

SECTION 1. Creation of Lien and Personal Obligation for Assessments. Each Owner, by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed of other conveyance, shall be deemed to covenant and agree to pay to the Association: (1) annual assessments or charges and (2) special assessments to be fixed, established, and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made.

Upon filing with the Dare County Clerk of Court's Office, each such lien shall be prior to all other liens except the following: (1) Assessments, liens and charges for real estate taxes due and unpaid on the Lot; and (2) All sums unpaid on Deeds of Trust, Mortgages and other encumbrances duly of record against the Lot prior to the docketing of the aforesaid lien. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who is the Owner of such lot at the time when the assessment fell due. Upon conveyance of Lot(s) to subsequent Owner by Developer, such Owner shall immediately be charged the full assessment for each Lot acquired, and shall pay same in accordance with Section 5 of this Article. The Developer covenants that upon the commencement of the annual assessments, it shall pay assessments on all lots owned or thereafter acquired by it in the same amount as any other Owner.

SECTION 2. Purpose of Assessments. The assessments levied by the Association shall be exclusively for the purpose of promoting the health, enjoyment, safety or welfare of the residents in The Properties and in particular for the improvement and maintenance of properties and facilities devoted to the purpose and relating to the use and enjoyment of the Common Areas and of the homes situated upon The Properties, including maintenance of roads, all of which shall be Common Expenses, as detailed in the By-Laws.

SECTION 3. Annual Assessments. The annual assessment for the year 2005 shall be \$300.00 (or a prorata amount for any Owner who owns any lot for less than the full year), for

each Lot. The Board of Directors shall adopt a proposed budget. The Board of Directors shall provide to the Lot owners a summary of the budget and a notice of a meeting to consider the ratification of the budget, including a statement that the budget may be ratified without a quorum. The Board of Directors shall set a date for a meeting of the Lot owners to consider ratification of the budget, such meeting to be held not less than ten (10) but no more than sixty (60) days after the mailing of the summary and notice. There shall be no requirement that a quorum be present at the meeting. The budget shall be deemed ratified unless at that meeting, a majority of all of the Lot owners in the Association rejects the budget. In the event the proposed budget is rejected, the periodic budget last ratified by the Lot owners shall be continued until such time as the Lot owners ratify a subsequent budget proposed by the Executive Board. Any such proposed budget shall set forth the amount of the proposed annual assessment. The total assessment payable by any Owner may be divided into such installments as the Board shall deem appropriate, but until notice from the Board to the contrary is received, the Owner of each Lot shall pay his or its appropriate share as herein determined on any annual basis, in advance.

SECTION 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized by Section 3 hereof, the Association may levy in any assessment year, a special assessment, applicable to that year only, for the purposes of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repairs or replacement of any capital improvement located upon the Common Areas, including the necessary fixtures and personal property relating thereto, provided that any such assessment shall have the consent of fifty percent (50%) of the votes of all the Members present at a meeting duly called for this purpose, written notice of which shall be sent to all Members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

SECTION 5. Certification of Assessments. The Association shall, upon demand, furnish at any time to any Owner liable for said assessment, prospective purchaser, or lending institution, a certificate in writing, signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

SECTION 6. Effect of Non-Payment of Assessment: The Personal Obligation of the Owner: The Lien: Remedies of the Association. If the assessments are not paid on the date due then such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the Lot, or Lots, which shall bind such Lot, or Lots, in the hands of the then-Owner, his heirs, devisees, personal representatives and assigns. The personal obligation of the then-Owner to pay such assessment, however, shall not pass to his successors in title unless expressly assumed by them.

If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of interest set by the Board, not to exceed the maximum rate permitted by law and the Board may further charge a late payment penalty to be set by the Board and the Association may bring appropriate civil action against the Owner personally obligated to pay the same or to foreclose the lien against any such Lot, or Lots, and there shall be added to the amount of such assessment to be collected upon foreclosure, the costs of such action and reasonable attorney's fees to other cost incurred by the

Association. In the event a judgment is obtained against any Owner for such assessment, such judgment shall include interest on the assessment as above provided and reasonable attorney's fees to be fixed by the Court, together with the costs of the action.

SECTION 7. Fines and Suspension of Privileges. The Association is expressly Authorized to assess fines and suspend privileges pursuant to the procedure set forth in North Carolina General Statute Section 47F-3-107.1, or any successor statute. Such fines or suspension of privileges may be imposed for any violation by a Lot owner of any of the provisions of this Declaration or the By-Laws other than non-payment of assessments which, shall be dealt with pursuant to the Sections above.

ARTICLE EIGHT

ARCHITECTURAL CONTROL

SECTION 1. Purposes. Developer desires to insure the best use of the most appropriate development improvement of each building site thereof to protect the owners of building sites against such improper use of surrounding building sites as will depreciate the value of their property. Preserve, so far as practical, the natural beauty of said property, to guard against the erection thereon of poorly designed or proportioned structures and structures built of improper or unsuitable materials, to insure the highest and best development of said property, to encourage and secure the erection of attractive homes thereon with appropriate locations thereof on building sites, to prevent haphazard and inharmonious improvement of building sites, to secure and maintain proper setbacks from property lines and adequate free spaces between structures, and in general, to provide adequately for a high type and quality of improvement on said property, both enhancing the values of investments made by purchasers of building sites therein, and preserving as fully as possible the natural beauty of both the Common Areas and individual building sites. To that end the Developer desires to establish an Architectural Control Committee in order to provide and maintain standards that will insure this harmony of exterior design and located in relating to surrounding structures and/or topography.

SECTION 2. Approval of Plans. No building, wall, driveway, swimming pool, tennis court, or other structure, site work or clearing preparatory to construction shall be begun, altered, added to, maintained or reconstructed on any Lot until the plans and specifications for such work have been reviewed and approved by the Architectural Control Committee (The Committee). Before commencing such review, a Lot Owner shall submit to the Committee three (3) completed sets of plans and specifications, including but not limited to, foundation plan, floor plan or plans, the four directional elevations, a schedule of proposed exterior colors and material, shingle colors, grade and weight, plan showing driveway, parking, septic tank and drain field, and expected completion of improvement. The Committee shall have the absolute and exclusive right to refuse any such plans and specifications which are not suitable or desirable in the opinion of The Committee for any reason, including purely aesthetic reasons which, in the sole and uncontrolled discretion of The Committee, shall be deemed sufficient, provided the Committee shall not refuse to approve any plans and specifications which previously have been approved for or constructed on any Lot. If construction of any improvement required to be approved shall not have been begun before the expiration of six (6) months following approval, said approval shall

be void and of no effect. The plans of such improvement shall be resubmitted to The Committee for reconsideration and The Committee may, in its discretion either confirm its earlier approval of plans or disapprove.

SECTION 3. Architectural Control Committee.

(a) Membership: The Committee shall be composed of three (3) people appointed by the Board. The appointees need not be members of the Association appointed by the Board. A majority of The Committee may designate a representative to act for it. In the event of death, resignation or removal by the Board of any member of The Committee, the Board shall have full authority to designate the successor otherwise approved by the Association. Neither the members of The Committee nor its designated representatives shall be entitled to any compensation for services performed pursuant to this Covenant. The Association shall keep or cause to be kept a list of the names of the persons who form The Committee and a list of the names of any designated representative of The Committee and such list shall be available to any Owner.

(b) Procedure: At least thirty (30) days prior to the commencement of any construction the plans shall be submitted to The Committee. The Committee's approval, disapproval or waiver as required in these covenants shall be in writing and the decision of a majority of The Committee in case of any disagreement among Committee members as to the approval, disapproval or waiver by The Committee shall be controlling. In the event The Committee or its designated representatives fail to approve or disapprove within sixty (60) days after the plans have been received by it, approval of The Committee will not be required and the related covenants and conditions of this Declaration shall be deemed to have been fully complied with. Further, in the event any construction is commenced on any Lot without submission to The Committee of the plans with respect thereto, and no action or suit is instituted against the Owner of such Lot by the Association or any Owner of any other Lot constituting a portion of The Properties within ninety (90) days after the foundation of any building being constructed on any such Lot is completed, then, and in any such event, approval by The Committee will not be required and the related covenants and conditions of this Declaration shall be deemed to have been fully complied with.

(c) Committee: Within two (2) years from the date of the first sale of the Lot by the Developer or when eighty-five (85%) percent of the Lots have been sold by the Developer, whichever occurs first, at least a majority of the Members of The Committee shall be composed of Owners other than the Developer or a representative of the Developer.

ARTICLE NINE

AMENDMENT OF DECLARATION

This Declaration may be amended by a majority vote of the Owners including the Developer. If any amendment to the Declaration creates an inconsistency in the By-Laws to the extent such inconsistency exists, the Declaration shall control. No amendment to this Declaration shall be effective until recorded in the Office of the Register of Deeds of Dare

County, North Carolina.

ARTICLE TEN

CAPTIONS, INTRODUCTIONS AND GENDER

The captions and introductory material herein are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope of this Declaration for the intent of any provision hereof. The use of masculine gender in this Declaration shall be deemed to refer to the feminine and neuter genders, and the use of the plural shall be deemed to include the singular, whenever the context so requires.

ARTICLE ELEVEN

VARIANCE

The Board of Directors of the Association may from time to time grant to the Owner or Owners of Lots within the subdivision a waiver or variance from the provisions of the Declaration. The conditions under which such a waiver or variance may be granted shall be in the total discretion of the Board of Directors of the Association. It is understood that the existence of this power does not create a right in any Homeowner or Lot Owner to such action by the Board and the decision of the Board on request for waiver or variance shall be final. The expressed purpose of the power as described in the paragraph is to enable the Board of Directors to alleviate hardships created by the terms of this Declaration under circumstances which are beyond control or fault of the parties, would create irreparable harm or unnecessary hardship without such action; or under conditions where title to the property in question is clouded, encumbered or detrimentally effected by the existence of conditions which cannot otherwise be corrected. Even when conditions as described herein exist so that waiver or variance appears appropriate, granting such waiver or variance shall remain completely within the discretion of the Board of Directors.
